

INSOL EUROPE Annual Congress

Cascais near Lisbon (Portugal), 22-25 September 2016
'Financing and Insolvency'

Registration now open
Early booking rates apply until 1st July

In September 2016, the INSOL Europe Annual Congress will be held in Cascais, Portugal, a beautiful city close to Lisbon. The Annual Congress is INSOL Europe's flagship event attracting 400-500 delegates each year culminating in a spectacular Gala Dinner.

The role of Portugal in the history of Europe is unique and today, Portugal is a modern, fully integrated European country. Many small and large investors from Africa, America and Asia are heavily investing in Portugal and sometimes even fixing their residence there.

The restructuring of the local economy over the last 3 years has been a tremendous success, mainly due to the Portuguese cultural and ideological identification within Europe, which has helped the Portuguese make a significant restructuring effort. At the Lisbon Annual Congress we shall discuss which restructuring tools are more efficient and how to apply them. We shall approach restructuring from a positive perspective as an area of expertise to create value rather than share misery.

Technical Programme

Once again we are working on a technical programme, appealing because of its diversity, as well as its rich insights into the world of restructuring and insolvency around Europe and beyond.

Topics will be presented by practitioners, judges and academics, with a focus on Financing and Insolvencies - with just enough academic and theoretical explanation, and an emphasis on the relevance for practitioners, from an economical and financial angle.

Topics to be discussed will include: Global Credit Risk Management, Shareholders as creditors, LMA Financing, Distressed Financing, Lender Liability, Estate Financing, Terminating of credit agreements and Credit Bidding.

Of course, the recast of the European Insolvency Regulation will be discussed as well. In 2017 this new regulation will come into force and what tips and tricks can we have in advance?

Academic Programme

As in previous years, the Academic Forum of INSOL Europe will be holding its annual conference immediately prior to the main congress. Click [here](#) for more details.

On Film

Find out more about our Annual Congresses by clicking [here](#) to watch the video of last year's Congress in Berlin.

Full details of the event and how to register can be found on our website [here](#). Alternatively, email [Caroline Taylor](mailto:CarolineTaylor@insol-europe.org), INSOL Europe Director of Administration.

With thanks to our main Congress sponsor, Dentons (www.dentons.com)

INSOL Europe is an organisation of professionals specialising in insolvency and business reconstruction and recovery.

Holding international and regional events throughout Europe, we make networking easy and help the exchange of professional experience across borders. At our events delegates can learn about industry developments, participate in academic conferences and network with others in interesting locations. Our events include: **Annual Congresses across Europe**, **Bi-Annual Academic Forums** which focus on relevant themes of interest to the practice and academic communities, the **INSOL Europe Eastern Countries' Committee Conference** which tackles insolvency issues particularly pertinent to Eastern European countries, an **Anti-Fraud Forum**, **Lenders Group meetings** and **Turnaround Wing events**.

With over **1,250 members across 50 countries** made up of lawyers, accountants, judges, regulators, academics and bankers, INSOL Europe makes a significant contribution to the work of European and international official bodies on insolvency, bankruptcy and business recovery. Many members also belong to kindred associations and are members of INSOL International.

Find out more about how to become a member, our events, sponsorship opportunities and more at www.insol-europe.org or contact Caroline Taylor, Director of Administration at CarolineTaylor@insol-europe.org or Tel: +44 (0)115 8780584.
